Administrative Bishop

First, I want to express appreciation to the churches of South Carolina for your prayers and support to World Missions and our missionaries around the world. As we have encountered this Global Pandemic called COVID-19 or Coronavirus, I can say without a doubt; God has used you to make a difference in providing food for our brothers and sisters in Christ around the world.

Tim McConnell
WM Chairman

This newsletter is to update you on the progress that has been made through your prayers and support. We are in this together, but more than that, God is walking through the fire with all of us, and I believe we will come out the other side in victory!

We are grateful to the Lord for the way He has provided for our Missionaries over the past year. God is so faithful, and the aspect of giving is one of the most puzzling to the world around us in that when we give, we open ourselves up to the blessings of God in a significant way.

Martin Taylor
SC Missions Representative

Matthew 24:14 (NIV) And this Gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come.

I don't have to spend much time convincing you that we live in the last days. Signs of the times are all around us, and if you believe in the return of Christ (which I hope you do), then you catch yourself at times looking at the sky, wondering if indeed this could be the day!

One of the great things that are happening in our world today is the explosion of the Gospel being shared worldwide in so many ways. With the expansion of the internet, the message of Christ continues to seep into nations that were once closed off. While the enemy continues to do all he can to keep the Gospel from expanding, Jesus continues to build His church. And how shall they preach, except they are sent? As it is written, How beautiful are the feet of them that preach the Gospel of peace, and bring glad tidings of good things!

Missionaries continue to answer the call of God upon their life and pack up their families to move to the far reaches of planet earth to share the Good News! The saints give sacrificially. They both appreciate and need our continued support more than ever.

This newsletter highlights churches, activities, and people from South Carolina involved with world missions, so feel free to submit an article. If we have missed any missionaries who are connected to South Carolina, please share that information with us.

Mission Trip to Gallup, New Mexico

SouthWest Indian Ministries

Are you looking for a “Third World Missions Trip” that requires no passport and possibly no flights? Then look no further than SouthWest Indian Ministries. As you minister, make sure you schedule a day off to make a day trip out of the “Painted Desert,” “Petrified Forest,” and “Grand Canyon.”

Read as Bishop Tim McConnell (Chairman of the South Carolina World Missions Board) shares his story about the trip O’Neal Church of God took in the Summer of 2018. The O’Neal Church of God sent a 17-person Mission Team to Gallup, New Mexico, August 19-24, led by Bishop Tim McConnell. Thanks to Brother Tapley for allowing our team to stay at the SWIM Center while we were there.

Before the Mission Trip to New Mexico in August, O'Neal Church of God held monthly Mission Fundraisers to raise money to take to New Mexico to bless several pastors in the area. The funds were to be used as needed for their churches and in their community outreach. Each member of the mission team raised their funds to pay for their way to go on the trip, including travel expenses and meals.

During our last visit, Larry and Davanna Driggers, Pastors at Bluewater Pentecostal Church of God American Indian Mission Church, needed us to cut, split, and load firewood and deliver it to widows and shut-ins. We spent a day evangelizing on the Navajo Indian Reservation, distributing the Care Bags for adults and children that we put together back at the SWIM center. We also delivered clothes to a local clothes bank to be distributed to those in need. We attended several church services in the area.

McConnell said they continue to keep in close contact with the SWIM center and the Pastors at Bluewater to pray for their needs and support projects and needs that arise. Please continue to pray for these wonderful ministries that are committed to reaching the Navajo Nation with the gospel of Jesus Christ. Feel free to contact Bishop McConnell for more information about SouthWest Indian Ministries.

Report from O'Neal Church of God Mission Trip to Huehuetenango, Guatemala

During the Summer of 2019, O'Neal Church of God sent a 12 person Mission Team with Pastor Tim McConnell to Huehuetenango, Guatemala, July 15-22. Bishop Eduardo Nieves led our group and was our guide while in Guatemala. Bishop Nieves serves as the Spanish coordinator of the State of South Carolina.

We want to thank our gracious hosts, Miguel and Noemi Orantes de Manrique. Bishop Miguel Manrique is the Northeast Territorial Overseer.

Noemi and a group helped build bathroom facilities for the congregations' use. Their next stop was another church where they helped mixed concrete for the foundations of several Sunday School rooms. They also mixed concrete for the Pastor's house.

The O'Neal Church purchased and donated a concrete mixer to use as needed in the Huehuetenango territory and also bought a headset microphone for the Children's Pastor of the Northeast Territory.

Bishop Tim McConnell and Bishop Miguel Manrique partnered up through Primos. Since then, O'Neal Church of God and Pastor McConnell have coordinated three mission trips to Guatemala with Bishop Manrique. In 2016, O'Neal learned about a pastor in need of a home, we took up an offering, and in 2019 the Pastor's house was completed. We continue to remain in touch with, pray for, and partner with Bishop Manrique to support projects and raise funds for needs in the Northeast Territory of Guatemala.

Report from Steven Day

Thank You

Thank you, South Carolina Church of God, for your giving to world missions. This month, we put a roof on a church and provided bags of provisions to about 100 pastors. None of this would be possible without your faithful giving to world missions. May God bless you richly as you give to advance the Kingdom.

Below are some pastors, church planters, and laity receiving seminary classes in the department of Lempira, Honduras. Thank you, SCCOG, for making this possible.

One of our young missionaries, Ruby Day, arrived on the mission field in Honduras late yesterday and couldn't wait to have her first Honduran meal! Let's pray for the Day family as they do God's work in Honduras!

We had a great meeting with the COG Overseer of the western territory in Honduras today. We talked about the needs and plans moving forward for the region. As we move forward, we believe there are great things to come. We will post more information on how you can help soon, so be on the lookout

Europe's Child Mission partners, thank you for your support. We just helped sponsor a youth conference in the city of Constanta, Romania. There was over 100 youth who attended this conference. Several dedicated their lives to Christ. Afterwards, we sponsored a pizza party, and the youth really enjoyed the time of fellowship and getting to know one another.

It's been a great week of getting supplies for the next container to Israel. It looks like Marsha is really into her work. Lol. Thanks to all those who are donating supplies or funds to buy supplies for this project. Because of you, it's coming together. I brought a van load of supplies home from Hamer Church of God. We know God is going to bless each of you for what you've done. This project is an ongoing process as the need is so great. Please consider getting your church involved. Contact us if you would like to help bless God's Chosen people.

Tanzania

Gina Helms and her team in Tanzania are committed to a holistic ministry model that transforms communities and unreached people groups. They do this through the proclamation of the gospel with signs and wonders, and the practical demonstration of the gospel through community development initiatives involving safe water, education, and community health. They focus on the poorest, unreached areas having the greatest need for spiritual and physical wholeness while empowering emerging leaders who can bring lasting change.

A Thing of The Past!**

Bryson and Anna Grizzle met at SCCOG in 2012. They became best friends and formed an incredible relationship. Bryson enrolled at Holmes Bible College in 2015 and began pursuing a degree in missions. In 2016 Bryson and Anna took their friendship to the next level and began dating. Additionally, Bryson led the outreach program and Anna led the youth praise team at North Spartanburg Church of God. However, in 2017 Bryson started FULFILL Ministries and began going overseas and putting missions teams together.

In 2018 Bryson and Anna were becoming quite comfortable on the mission field, leading short-term trips and knowing that it was time for the next steps in life. Consequently, they were engaged while on a mission trip to Mexico and began looking into a full-time location to further their ministry in the mission field. However, the more they prayed about it, the more they knew God was calling them to Africa, and so the journey began.

Bryson graduated as valedictorian of his class and served as the Student Body President at Holmes Bible College. He holds a BA in Theology and a BS in Christian Ministries with a concentration on world missions. Anna is in her senior year at Holmes pursuing a BS in Christian Ministries with a concentration in World Missions. They both serve in their local church in ministry: leading worship, outreach, discipleship, social media, youth staff, and administration.

Though they have faced many trials, God has been preparing them for life on the mission field. He has planned this journey for them and has guided their footsteps to where they stand today, preparing to live on the continent of Africa serving with Kibera Kids. Their vision seems impossible to some, but they have a support system that walks with them as they walk in their calling. With the God they serve, they believe they will reach the Nations and fulfill the Great Commission.

EUROPEAN THEOLOGICAL SEMINARY

OUR VISION STATEMENT

Our call is global. Our objective is missional. Our directive is to all people. As a multicultural, multigenerational institution, our very existence is for the purpose of training leaders in biblical literacy, in living a lifestyle of humble obedience to Jesus Christ, who are driven and passionate to fulfill God's call upon their lives in this world.

OUR MISSION STATEMENT

The European Theological Seminary is an accredited academy of higher learning and Christian education. At ETS we offer undergraduate degree programs in Pastoral Training, Missions, Counseling, Worship, Christian, Education and master's degree programs in Psychology and Theology. We are an evangelical, Protestant, full gospel community dedicated to equipping men and women for the manifold ministries of Christ and his church.

Under the authority of Scripture, we seek to fulfill our commitment to ministry through graduate education, professional development, and spiritual formation. In all of our activities, we strive for excellence in the service of Jesus Christ, under the guidance and power of the Holy Spirit. Our doors are open, without discrimination, to all people who truly desire to seek after the heart of God and develop a Kingdom mentality.

WHAT IS THE EUROPEAN THEOLOGICAL SEMINARY?

ETS is a Pentecostal/Charismatic faith-based institution in the heart of the Black Forest in Germany, where we focus on training future leaders for tomorrow. We offer diplomas in Pastoral Training, Missions, Counseling, Worship, Christian Education, as well as Master degrees in both Psychology and Theology. Our goal is to train individuals from around the world with a better understanding of theology as well as equip them with all the tools they need in their field of study to be successful.
